To whom it may concern

On behalf of **BØRGE MOGENSEN TEGNESTUE APS**, it is with great pleasure that I recommend **Mathias Falkenstrøm** to you.

I, Emilie Mogensen, and my cousin Sarah Moutouh, have been working with Mathias, when he was employed by Mater design and working on the development and production of our collaboration **Conscious by Mater**. A series of Børge Mogensen's design, originally from 1958, produced in circular materials patented by Mater.

Mathias has a very delicate sense of aesthetics and a clear understanding of classic design. Further his understanding and know how, when it comes to sustainability and circular design production, is highly professional.

We really appreciated Mathias ability to work with the legacy of our grandfather, with humility and awe, while knowing his craft so well, that we could actually create something new and cutting edge, in the field of circular furniture design.

Mathias is a polite and kind person, and I look forward to working with him again in a professional capacity.

I warmly recommend him for his professional skills and warm personality. Please feel free to reach out for any further information.

Best regards,

Emilie Mogensen

Creative director and sustainability consultant
